PROJECT EXPERIANCE

Marketing & Strategy Consulting Project — Hamden Fire Department & IABPFF

- Conducted market, demographic, and competitor research to identify firefighter recruitment opportunities.
- Developed digital recruitment recommendations focused on reaching younger audiences through social media, short-form content, and community partnerships.
- Presented findings and recommendations through a client-facing consulting report and executive presentation.

Study Abroad Process Improvement Project — Quinnipiac University

- Developed an implementation plan to improve Quinnipiac University's study abroad process.
- Created a work breakdown structure, project schedule, RACI matrix, communication plan, and risk assessment.
- Presented proposed process improvements and implementation strategy to faculty.

Digital Marketing & Performance Measurement — Personal Portfolio

- Implemented GA4 and Google Tag Manager to track website behavior and key actions.
- Configured and validated CTA, email, and case-study tracking using GTM Preview and GA4 DebugView.
- Built a Google Ads Search campaign for water heater services, including keyword research, ad groups, negative keywords, targeting, responsive search ads, and bidding.
- Connected campaign planning with conversion measurement to evaluate key website actions.

EXPERIENCE

Day One Accounting, Effort, Pennsylvania

December 2025 - May 2026

Social Media Marketing Intern

- Conducted audience and keyword research using AnswerThePublic to identify content opportunities.
- Developed social media content aligned with audience interests and brand messaging.
- Created short-form content using AI-enabled tools, including ElevenLabs.
- Managed content planning and CRM automation workflows using GoHighLevel.

GigChampion, Dallas, Texas

May 2024 - August 2024

Social Media Intern

- Created Instagram content and hashtag strategies to support brand visibility and audience engagement.
- Designed social media graphics in Canva for ongoing marketing initiatives.
- Engaged with online audiences and collaborated in weekly content-planning meetings.

Recommended Plumbing, Jersey City, New Jersey

June 2022 - August 2022

Job Site Assistant

- Prepared tools and organized materials to support residential plumbing projects across multiple job sites.
